

COMMONWEALTH OF PENNSYLVANIA
OFFICE OF THE GOVERNOR

GREETINGS:

It is my pleasure to join with the Pennsylvania Department of Labor and Industry and the Governor's Occupational Safety and Health (GOSH) Conference Advisory Committee to invite you to the virtual 2020 Governor's Occupational Safety and Health Conference.

Over the past ninety-four year, the GOSH Committee has educated and empowered safety professionals, employers, and employees throughout the commonwealth. More than 80,000 business and labor professionals have come together to learn, share information, and network to make Pennsylvania a safer place to work. By presenting a series of workshops that address best safety practices, the GOSH Committee has worked to reduce accidents and injuries for workers across many occupations. I encourage everyone to take advantage of the many resources available and I am confident this conference will continue to improve workplace safety in Pennsylvania for many years to come.

As Governor, and on behalf of all citizens of the Commonwealth of Pennsylvania, I am delighted to invite you to the 2020 Governor's Occupational Safety and Health Conference. Please accept my best wishes for a productive event and continued success.
